

# Sunstream **SunPort2™**

Trust your summer fun to the SunPort2

Safe, fun and easy for the whole family with single-person operation. The hinged tail pivots for smooth, safe loading. When not in use, it keeps your craft high and dry - it's the best storage solution for your PWC. There's nothing like the Sunstream SunPort2 to add to your summer fun.

## **EASY LOAD & UNLOAD**

- Unique pivoting tail automatically dips to gently and smoothly guide you onboard
- Sunstream's proven dual roller system adds side-to-side stability

## **SAFER OPERATION**

- Sturdy bow stop is designed to prevent the craft from driving over the top of the lift

## **UNSINKABLE**

- Foam-filled structure eliminates sinking concerns

## **DURABLE DOCK MOUNT OPTIONS**

- Dual hinge brackets reduce wear on **SunPort2**, bracket and dock
- Side Mount Kit and Multi-Port Connector available for custom installations

## **QUICKCOVER™**

- Stores in net on bow, cover fastens to the lift for additional PWC protection
